Technician

Novice

Doug Kluge, W9NKK, contest chairman announced another ten meter contest coming up on Dec. with all amateurs welcome to participate in. Clarence Burke, extended an invitation to the visitors to join the M.R.A.C. Jack Doyle informed the group on the meeting held at Beaver Dam which was well represented by Milwaukee amateurs. He also commented about his being in favor of the last extension given to the N.B.F.M. by the FCC.

The question came up on the matter of 3rd party tlc, and it was explained that it was permissible only when the foreign country agreed to allow it. When in doubt, the amateur in the foreign country in question will inform us that it is not permissible. A mars report was given by Kurt Schultz. Mr. Doyle announced that a transcontinental phone net was now in operation. Tlc from the east coast can be moved to the west coast, and out to the Hawaiian Islands in a very short time. W9ESJ is in charge of the Wis. outlet and any amateur with power that operates on 75 fons, and that would like to participate in guarding the net freq. for one night a week, contact Al Hennig, W9ESJ. W9DJV told the group about the 80 meter cw net known as the W.I.N.

Slow and high speed operators are invited to report into this net, active every evening.

Visitors were introduced by president Ralph Koenig. Motion for adjournment made by John Scarvacci, seconded by C. Burke. Meeting adjourned at 2200

Gentlemen:

It is with deep regret that I must resign as Treasurer of the Milwaukee Radio Amateurs Club. Due to my leaving Milwaukee within the next six weeks and my association with Waterloo Radio Inc., it has become very burdensome attempting to perform the duties expected.

I do wish to thank all Directors and Club members for their support which has made the Treasurer job an interesting and easy one. I do hope I am able to participate in Club functions and activities in the future as I have in the past. Thanking you and all I remain

The regular meeting of the M.R.A.C. was called to order at 8:20pm by acting president Art Vahovius. The minutes of the previous meeting were read and approved. W9RH read an A.R.R.L. bulletin in regards to the atmospheric disturbance that will occur Feb 20 and Feb 21. Operators that participated in the I F contest Sun last commented on the scarcity of participants. Aside from that fact, the contest was a good one.

Members and non members present at the meeting announced their call, name, rig power, and bands of operation.

Band reports were given, followed by Mr Grapo, W9VD brought up the subject for discussion, Is TVI breaking the back bone of Ham Radio Clubs. A lively discussion followed with comments made by Mr Wolleger and Mr Irving. It seemed that the hams were bending over backwards to keep out of the neighbors hair until the rigs were TVI'ed. The general picture however indicated that the average ham was not putting forth maximum effort to cleaning their own back yard.

Motion for adjournment was made by Mr Schlaugert, and seconded by W9SQL. The meeting was adjourned at 9:35pm. A general rag chew was carried on until lights out.

MINUTES

THE MILWAUKEE RADIO AMATEUR CLUB, INC.

Thursday, February 23, 1950.

.....0.....

The meeting was called to order by Pres. Ralph Koenig at 8:30 P.M.

Due to the absence of secretary Art Vahovius, Fred H. Zolin was appointed to act in his place. The minutes of the previous meeting was not read as they were not available.

Treas. Geo. Bowen gave his report. No comment was made so the report was accepted.

REPORTS OF COMMITTEES:

Doug Kluge, W9NKK, reported on the VHF Contest held February 12th and gave the following results for the winners in the following order with points:

W9TQ	11	points
W9PYM	11	"
W9UJM	10	"
W9BTQ	8	"
W9GZR	8	"
W9IZO	2	"

W9TQ was the only winner present and made a few remarks about the equipment he used, the power being only 12 watts. His antenna is a 12 element beam.

Kluge thanked those who participated in the contest but was disappointed in the number of entries received and looks forward to increased participation in future contests. The next contest will be an 80 meter CW contests which he believes will be a hot one since Milwaukee Hams will pit against those in the state. The date was not mentioned but it will be in about one month.

Kluge presented Jack Doyle with an award he had coming from a previous 10 meter contests.

Jack Doyle brought up the subject of Badger State Council of Radio Clubs and explained in detail its benefits. Due to lack of time not too much discussion was made, however, Pres. Koenig asked for a vote by hands of all those who would be in favor of joining such a unit and the result was unanimous. It was decided that the board of directors draw up a resolution to enlist with such a council. The board meets Friday Feb. 24..

There were 38 members present and 5 visitors.

10 PM It was moved by Baker to adjourn and seconded by Philipson. and carried.

Respectfully,

Fred H. Zolin
Acting Secretary.

Pres. Koenig asked Fred Zolin to give a resume of the Schultz case due to the club receiving quite a bit of publicity. Ken Eggert was responsible for the photographs taken for publication. Both were given a vote of thanks for the efforts. The bulletin will carry further details.

Committee Reports---

Jack Doyle reported for entertainment committee chairman Clarence Burke . A special meeting is being planned for March 17th Friday to see demonstrations on TVI by Don Merton, W2UOL. He will have a truck with necessary equipment to show his TVI filter...

April 27th meeting.

Meeting called to order by Pres. Ralph Koenig.

Reading of the minutes from the preceding meeting was dispensed with due to the absence of secretary Art Vahovius. Zolin handled minutes.

Committee-Chairman Burke introduced Mr. L. W. Butler, guest speaker of the evening. Butler is connected with the Wisconsin Telephone Co., here in Milwaukee.

to HAMS

Mr. Butler, hesitatingly remarked that talking on TV/was like waving a red flag in front of a bull.

Milwaukee alone has 100,000 TV sets in use by the public averaging \$200 each, making an investment of \$20,000,000. With such a gigantic outlay of money for entertainment, it is obvious that strict cooperation by radio amateurs is essential where TVI is present, he said.

He scanned the last 100 years of communication, starting with the year 1844 when Samuel Morse sent the first message by land line from Washington to Baltimore. Our attention was called when the first transatlantic transmission took place, the first wireless, cable communication, first radio and broadcast transmission. Then comes TV, the future of which is still anybody's guess.

His talk was very technical and slides were projected, being assisted by Mr. Herb Zwarra, W9MQA, also from the Wisconsin Telephone co.

Due to lateness of the evening, Mr. Butler's talk had to be curtailed.

Mr. Koenig mentioned that Irving Jackson was getting along nicely and hoped the members would send him get well cards.

Mr. Charlie Meyers moved to adjourn at 10 P.M.

The meeting was called to order at 8:08 P.M. by president Ralph Koenig.

~~MAXIMILIAN~~ Secretary Vahovius was not present and Fred H. Zolin was asked to act as secretary.

minutes

The ~~MEETING~~ of the April 27th meeting was read and accept with one minor correction.

No treasurer's report was made due to the fact that the books were in the hands of the auditors who are making an audit.

COMMUNICATIONS:

A card was received by Irv. Jackson, W9CID, thanking all the members who remembered him with a get well card.

A letter from ARRL HQ stated that Harry Paston, W1DWJ, would be in Milwaukee and would like to address the club May 18th.

OLD BUSINESS:

Money for the U. S. Government bond which was sent in to be cashed, was received amounting to \$371.00 and was turned over to the treasurer.

NEW BUSINESS:

Pres. Koenig announded that he didn't think the club could have Harry Paston speak at the May 18th meeting as that is the night for election of directors and officers. He suggested that perhaps the following night would be satisfactory and efforts were being made to combine the talk for the School of Engineering students also. Mr. Koenig will see what can be done in this connection. A card would be mailed unless this information could be put in the Hamateur Chatter which will be going to press in a few days.

He also stated a board of directors meeting Tues. May 9th Red Cross Bldg. Prospect Ave Charlie Meyers interrogated Norman K. Brushaber who is a new member.

The club was highly entertained by Webster Soules of Electro-Voice Co., on microphones. His talk was most interesting. Soules QTH is Chicago and his station call is W9DCM.

Charlie Meyers moved ~~us~~ to adjourn at 9:45P.M. and have a rag-chew for the following 15 minutes. It was seconded by Johnny Scarvaci.

At the end of the 15 minutes, ^{RAG CHEW} the usual lantern appeared and the meeting room was emptied.
